

天知，地知，你知，我知，  
就够了！

*GOD knows, Earth knows, you know, I know,  
it is enough!*

*There are countless things,  
as long as you know, I know, GOD knows,  
Earth knows, it is enough. Sooner or later,  
the truth will be revealed, there is no escape.*

*Unless you find a way to avoid death.  
However, death will still come for you  
eventually.*

*Do not ever take Baixian's money. If you do,  
even if you are a BAITIANGONG follower,  
when you pass away, you will regret it,  
but at that point it is too late.*

*BAITIANGONG is not a joke.*

*Xian Sheng does his best to form  
a group of people in Baixian,  
to establish a team of earthly saints.*

Have you not listened to what I have always said? As long as GOD knows, Earth knows, you know and I know, it is enough. If someone lies to me, I will know. Why? Because someone else will tell me the truth. Still, I pretended not to know. I placed my hand over his shoulder and said, “You rascal, how dare you lie to me.”

I intentionally asked him just to see how he would respond, if he would tell the truth. The moment he answered, I knew he lied instantly.

I intentionally asked him. Once I caught him, I warned him. This is me.

Hence, there are countless things, as long as you know, I know, GOD knows, Earth knows. Sooner or later, the truth will be revealed, there is no escape. Why? Unless you don't die, because death will come for you sooner or later, and that is a fact.

I often remind everyone in Baixian to never take Baixian's money. Don't ever touch Baixian's money. I have repeatedly reminded them but still, they do not listen, in which case I have no choice. At the moment of death, even if you are a BAITIANGONG follower, when you pass away, it is too late for regret. Remember, it is too late for regret.

BAITIANGONG is not a joke. If it is a joke, I don't need to set up Baixian. I would just close it down. I can just collect the rental for that is already sufficient for me to preach. It is precisely not a joke where I do my best to form a group of people in Baixian to make them the "earthly saints". That is the reason.
