*How many percent have you achieved in

*If you fear nothing except GOD,  
you will not be frightened by others.*

*For all the years you spent on this Earth,  
do ask yourself, how many percent have  
you achieved in thinking good, seeing good,  
hearing good, speaking good and doing  
good? Of course, the more the better.*

Out of fear, people seek help from mediums, worshipping many things, until they get confused or even go insane. All of these will happen to whoever that does not fear nothing except GOD.

你的想好、看好、听好、讲好及做好有多少巴仙？  
*How many percent have you achieved in  
thinking good, seeing good, hearing good, speaking good and doing good?*

If you fear nothing except GOD, you will say, “Birth, aging, sickness and death are all part and parcel of life. Sickness is unavoidable.” You do not need to be frightened by others who say, “Oh! You are possessed by evil.”

By which you would answer, “There is no such thing as being possessed by evil. It’s just sickness, I’ll just see a doctor, get some medicine and perhaps, take an injection. This is not evil.”

Indeed, evil is within you, it is only human. It all depends on how you accept it and how you perceive being a human being. The most important thing is that you must accept yourself for being human.

For so many years on this Earth, ask yourself, how many percent have you achieved in thinking good? How many percent have you achieved in seeing good? How many percent have you achieved in hearing good? How many percent have you achieved in speaking good? How many percent have you achieved in doing good? How many percent of goodness have you achieved? The more the better of course.
