

听仙讲，给仙带；  
听鬼讲，给鬼带。

*If you listen to the saint, you would follow the saint. If you listen to the devil, you will follow the devil.*

*Believe in what Xian Sheng said 100%.*

*“Only you are wrong, I am never wrong. If you think that I am wrong, it is you who are wrong. What I said has never been wrong.”*

*Praying to the CREATOR is never wrong.*

*The CREATOR has created humans to have freedom of choice.*

*Sometimes when you want to do good, bad consciousness will tell you not to do it.  
Sometimes when you want to do bad deeds, good consciousness will tell you not to do it.*

*You are human, devil and saint all within you.  
If you listen to the saint, you would follow the saint. If you listen to the devil, you will follow the devil.*

听仙讲，给仙带；听鬼讲，给鬼带  
*If you listen to the saint, you would follow the saint.*  
*If you listen to the devil, you will follow the devil.*

I'm telling you, you have to believe what I say. Believe in what I say 100%.

I have told you many times, only you are wrong for I am never wrong. If you think that I am wrong, you are wrong. These words have never been wrong. Praying to the CREATOR is never wrong. There is no wrong when the CREATOR created this Earth and Universe.

The CREATOR has created humans to have freedom of choice. Whether to do good or bad, you have to ask yourself whether you have conscience. Sometimes when you want to do good, the bad consciousness will lead you astray. Sometimes when you want to do bad deeds, the good consciousness will bring you back to goodness.

It depends on how you want to do it! In fact, you are human, devil, and saint all in one. If you listen to the saint, you would follow the saint. If you listen to the devil, you will follow the devil. If you choose to be led by the devil, let the devil take you. I would not be bothered.
