*All of you as BAITIANGONG followers must
fear nothing except GOD and
think good, see good, hear good,
speak good and do good.*

*Once we promise someone to do something,
we must make sure we do it.
It's very important to have principles.*

*Xian Sheng really despises
those who don't have principles.
Man must have principles.*

*If the person is not hurting another person,
don't betray him/ her,
give him/ her a chance to change.*

All of you as BAITIANGONG followers must fear nothing except GOD and think good, see good, hear good, speak good and do good.

You must be a person of principle, don't be someone without principle. We must be able to fulfill what we have said. Don't say it if you cannot deliver. Once we promise someone to do something, we must make sure we do it. It's very important to have principles.

I'm telling you, I really despise those who don't have principles. On this earth, man must have principles. As a human being don't ever betray anyone. If that person is not hurting another person, don't betray that person, give that person a chance to change.
