*When we pass away,
Xian Sheng is not interested in the bad
deeds that we have done,
but rather the good deeds that we have
done.*

*A human can do bad deeds,
but no matter how evil they are,
they cannot be too evil,
because there is law on earth.*

Remember what I once told you? I said that I do not want to know what bad deeds you have done but rather it is important for me to know what good deeds you have done. Please raise your hand if you remember this. I have once mentioned this before,

remember? I don't care what bad deeds you have done.

A person who has done bad deeds, no matter how bad it is, there is law on this earth, hence you cannot be doing extremely bad deeds.

But once you pass away, the important thing is for me to know what good deeds you have done, remember?

(A sister said, "Remember").

If you remember, good for you. Do not forget what I said.
